MEMORANDUM FOR: Special Assistant to the Director
for Planning and Development

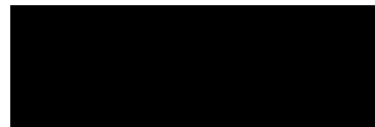

SUBJECT : Attendance at the 9 O'clock Session
with General Walsh

1. On Monday, when we discussed the matter of attendance at your meeting, I was asked to inform [REDACTED] to be present at 9 a.m. Thursday, 13 November, for your discussion with General Walsh. This I have done. 25X1A9a

2. The question was also raised as to whether NSA should be present. At that time I thought not but reserved my final view pending the upshot of discussions with NSA which I was to have on the 12th. As a result of those discussions, it is my view that it would be desirable inasmuch as questions of fact bearing upon the handling of blow by blow reporting of DMRs may come up where it would be much more helpful to get the statement of the responsible people. Accordingly, I have invited [REDACTED] of NSA to be in my office about 8:30 Thursday morning in time for the meeting.
